

Highland HS Baseball Team Hosts Major Division Camp

On Saturday, March 15, the Highland High School Varsity Baseball team held a camp for the Highland Little League Major Division players. Led by long-time Highland Coach Dan Miller and his staff, the ninety-minute camp featured hands-on instruction by the varsity squad. Prior to the major league player's camp, Coach Miller and his staff held a coaches clinic for all Highland Little League managers and coaches.

Highland Little League would like to thank Coach Miller, his fine staff and his players, many of whom are former Highland Little Leaguers for putting on two fantastic camps. This is the fourth year for the coach's clinic and the third year for the major league camp. The partnership of Highland Little League and the Highland High School programs is a natural one as Highland Little League looks to serve as a feeder system for our High School program. Go Trojans!
